

## QNP2012 Suggestions for hotels and residences

The conference administration will not manage hotel reservations (with the exception of a few rooms at the guest house of Ecole Polytechnique). We gather hereafter several useful websites and are giving you suggestions for conveniently located hotels, most of them not too far from the "RER B" line which runs North-South from Roissy airport to Paris and to Palaiseau and beyond. As explained in the "Transportation" part of our web site, the relevant train stations for the conference are Massy-Palaiseau (followed by short bus ride) and Lozère (followed by 15' walk steep up).

*Here are some interesting web sites for your hotel reservation*
